To: Debian User <debian-user@lists.debian.org>

Dear all,

is anybody aware whether Debian supports PCCard-SCSI Adapters like Adaptec APA-1460 and APA-1480 (alternatives?)?

In the kernel sources, I do not find anything regarding APA-Cards, just AHA-152x (is this really a PCCard???)

Has anybody any negativ experienes with PCCard-SCSI Adapters?

Thanks for any elightenment?

wbr,
Lukas
