Dear Friend,

I am a project manager with the FEDERAL MINISTRY OF WORKS AND HOUSING (FMWH).

I obtained your email from the internet, while searching for a reliable person, who could assist us in receiving kick-backs funds from contractors awarded contracts executed under the current budgetary allocation for NDDC. These bills had been approved for payment by the concerned ministry. The contracts had been executed, commissioned.

What we are about to receive now is a kick back from the contractors whom we helped obtain the contracts and process their payments.

On our part, all modalities had been worked out in ensuring a smooth transaction within the next Ten days. All I want from you is your details to enable these foreign contractors forward the kick-back sums to you on our behalf, because as government officials we cannot collect these kick-backs directly from them, neither are we allowed by law to operate foreign accounts.

I will like you to provide immediately your full names, address, and telephone number if you are interested.

Please note: there will be no financial obligation required from you and this transaction is risk free. For each kick-back received by you on our behalf, you are entitled to 10% of that sum.

As soon as you indicate your interest, further instructions will be passed on to you on the procedure that we will follow in accomplishing

this deal.

Reply confidential email: maxwellinvestments@tiscali.co.uk

Kindly reach me immediately via e-mail furnishing me with your details as stated above.

Looking forward to hearing from you.

Best regards,

David Maxwell.
