Pluses of the right:

- lower my taxes, stay out of my head
- make criminals nervous

Minuses of the right:

- harder to score dope because the dealer's connection is nervous
- tend to like to drink alcohol A LOT: if there's one thing I can't stand it's a guy who drinks a lot and tells me drugs are bad for me

Pluses of the left:

- easier to score dope because the criminals know they aren't going to get prosecuted
- don't have to hear about how shitty life is from hollywood for 4 years

Minuses of the left:

- tend to encourage lots of "hey! you're gay!" type-of moments (you remember the nineties)
- raise my taxes
- when they sell out and go corporate, they do it so poorly
