

Debian-User: XMMS broken

# XMMS broken

**Source:** <http://linux.derkeiler.com/Mailing-Lists/Debian/2005-01/4388.html>

---

**From:** David Baron ([d\\_baron\\_at\\_012.net.il](mailto:d_baron_at_012.net.il))

**Date:** 01/31/05

Date: Mon, 31 Jan 2005 09:31:23 +0200

To: "debian-user@lists.debian.org" <debian-user@lists.debian.org>

After latest upgrades, XMMS yields:

```
Gdk-ERROR **: BadValue (integer parameter out of range for operation)
serial 68 error_code 2 request_code 45 minor_code 0
```

Also, everything is working just fine and other such applications play.
