Here is the amended/corrected copy of the recipe as cooked by Barbara Oncay

Ingredients

2 Dozen Broccoli Growers

Re: [OT] Recipe for a Debian thread that won't die

Re: [OT] Recipe for a Debian thread that won't die

A heavy dose of green color

1 Social Contract

1 smidgen of "how do you address somebody..."

Add politics

Stir

Add some light Colour if it still doesn't look right

Half-Bake

Add a dash I am a noob to keep things perking (ok so those threads die...it still adds a little spice)

This recipe feeds a multi-national mailing list of several thousand.
