> *I have installed FC3 in 2 PC. I need to delete FC3 from one of them and install XP, because intend to use that for other purpose. Can anyone help me how would I do that. When I insert XP CD and boot, it only giving me a blank screen !*

Boot with FC3 CD1 into rescue mode. Don't mount the existing partitions and use then fdisk to erase all partitions.

Alexander

P.S. Is it that difficult to understand that the "Re: " prefix in the subject line indicates a reply and that starting a new thread that suffix makes no sense for the initial posting? And please don't shout out in subject line by all caps.
