Your remarks are beyond repulsive, your behavior unconscionable, and you and the rest of the wing nuts piling on Karl do NOT speak for me. Until you guys begin to exhibit a little tolerance and practice a little common courtesy, you can put me on your list of "not your friends" too! Let it also be stated for the public record that not one of you keyboard cowards has the least standing as moderator of this list.

A couple things:

1. I never stated that I spoke for you.
2. Your generalizations of people who have previously responded to this thread is highly insulting to me.
3. You are not a moderator on this list. I am as welcome to my opinion and to post as you are. I am also welcome to community scrutiny as everyone who posts here is. From my understanding this list is largely self-moderating.

In reviewing my post I have found nothing repulsive, unconscionable, or cowardly in my statements.
