I am looking for KDE 3.1 FAQ, but cannot find it on the website, could someone send me a link or a copy ?

I'm not aware of something online, but you can download the docbook files from:

<http://websvn.kde.org/tags/KDE/3.1.0/kdebase/doc/khelpcenter/faq/>

You have to compile them yourselves though if you want pretty HTML.

Kind regards,
