## ELECTRICIAN

Tel. (408) 482-2102 rysisio3@yahoo.com

### WIRING & INSTALLATION

Hands on electrical installations perform fitting, mounting, laying cables on Commercial, Industrial, residential new & existing buildings.

Electrical Power Supply for Lights, Plugs, Receptacles, Panels, & Fuse boxes, Emergency Generators wiring and testing, Transformers, Power Lines & conduit layout, bending and mounting, parking lighting, lamps, Signs, switches, posts and underground installations.

Shopping Centers; grocery stores, hardware stores, restaurants & residential – housing areas, computer business & fast food units installation & buildings; Solar Panels, Sun Tracking, Flywheel Storage & cars electric systems modify, Natural Energy in Remote areas install.

### LOW VOLTAGE

12 / 24 Volt audio & video equipment, Computer & data network wiring, data backup and UPS; Monitoring Video Control & backup tapes set up and mounting, electro-optical assemblies & subsystems. DC Power Supply, Switch & Motion sensors Alarm. Fire & safety systems install.

Fiber Optics systems, PLC setup, Master Control Center, cable modems & cable TV install. Network, UPS Battery Backup mounting and charging systems; Power supply testing, troubleshooting, and analyzing to a components level. Solar Signs, Electric Vehicles Design, Assembly & Installations. CC TV & Cameras, Security Systems & Sensors for Safety, Fire sprinklers and traffic Monitoring & Door Control.

### TECHNICIAN

Use lab & shop equipment, mechanical, electrical & electronic tools, measurement & testing equipment, video cameras & microscopes. Support scientists & electronic engineers. Mechanical & Electro-Mechan. Design.

## Linux-Kernel: R E S U M E

### OFFICE, ELECTRICAL AND MECHANICAL PROJECTS

Electrical & Network Sketches, one line diagrams, and "as is" drawings update. Customizing Electronic and Electrical Components & Parts, Layouts electronic and electrical schematic, connectors and mechanical detailing. Quotes, supply, bids and job estimating. SOLAR PROJECTS.

Customers contact, inspection, project mgmt & supervision of electricians & material handling; Use CAD, Windows and applications;

ELECTRICAL & MAINTENANCE SERVICE US Citizen; open for travel
