To: ext2-devel@lists.sourceforge.net, sct@redhat.com, akpm@osdl.org, adilger@clusterfs.com

Can anyone tell me the history of CONFIG_EXT{2,3}_CHECK?

There is code for a "check" option for mount if these options are enabled, but there's no way to enable them.

TIA

Adrian

"Is there not promise of rain?" Ling Tan asked suddenly out
of the darkness. There had been need of rain for many days.
"Only a promise," Lao Er said.
