Steve,

Perhaps I'm doing something wrong, but it doesn't seem to apply cleanly here:

```
patching file drivers/char/rtc.c
Hunk #1 succeeded at 384 with fuzz 2.
Hunk #2 FAILED at 396.
Hunk #3 FAILED at 417.
Hunk #4 FAILED at 582.

Hunk #9 FAILED at 1018.
Hunk #10 FAILED at 1285.
Hunk #11 FAILED at 1294.
Hunk #12 FAILED at 1304.
11 out of 12 hunks FAILED -- saving rejects to file drivers/char/rtc.c.rej
