

RedHat: SOLVED (with reinstall!) RE: can't figure out this sendmail error

SOLVED (with reinstall!) RE: can't figure out this sendmail error

Source: <http://linux.derkeiler.com/Mailing-Lists/RedHat/2003-12/1395.html>

From: Chris W. Parker (cparker_at_swatgear.com)

Date: 12/31/03

To: <redhat-list@redhat.com>

Date: Wed, 31 Dec 2003 12:53:49 -0800

UPDATE:

Ok I decided to just reinstall the entire system and do my partitioning a little differently. I have also not downloaded or used apt yet. Now I'm AFRAID to use it!

Chris.
