Can't. Resist.

Shotguns. Big ones. Hide somewhere *AWAY* from meat.

I'll be here all weak, enjoy the veal.

;)

Gee, how completely ignorant. Don't you know *anything*? You take down zombies with salt. So, just a little salt in the server....

No, you cannot.

| Try this:
| ps aux | awk '{ print \$8 " " \$2 }' | grep -w Z;

This may find them. Killing them won't do anything.
