Using smartd, you can monitor ur ATA devices

<http://smartmontools.sourceforge.net/man/smartd.8.html>

Thanks,
Krishnaprasad

Padiyath Sreekumaran <> scribbled on Thursday, November 29, 2007 2:46 PM:

Hello,
Iam looking for a Public Domain Program(if available) to
Detect drive failure before it happens.

Can't you use the built-in smartd?
