Thanks Bruce, but I'd got that stuff, I was hoping someone would explain what 'LEN' and 'DPT' and 'SPT' etc, meant, or where I could look each definition up, and what the corresponding numbers after each one was...that kind of stuff.

BTW, that sig reminded me of a Gallagher(sp?) quote I heard him say once (he'd got it from his daughter when she was very young):

Why do they call them Apartments, when they're all stuck together?
