To: <suse-linux-e@suse.com>

I get this message when trying to open yast2 install software (f.e. `yast2 -i lynx`):

Segmentation fault at Product.ycp:77

/sbin/yast2: line 194: 5882 Violación de segmento \$ybindir/y2base "\$module" "\$@" ncurses

I'm running SuSE 9.2. Any idea?

Thanks!!
