I have no interest in Fry's, but I got this email from someone on the microwave list, after I had expressed interest. Apparently Jerry bought one of these and was happy with it.

These deals are only good for a couple days. You have to call them on the phone and remind them that it's an advertised sale--apparently they advertise in the local papers in the southwest. Otherwise, you don't get the discount price.

Their phone number is 1-408-617-1300.

The message I got runs as follows:

\*\*\*\*\*  
\*\*\*\*\*

The computer comes with:

- 40 GB hard drive
- 52X CD-ROM

The computer part number is 3121 #4199563
