I just received an "undeliverable notice" on an email I sent and received answers to a few weeks ago.

have no idea what it means or where it came from.

Tom

Somebody on the list has screwed up their mail server – or their admin has. Or possibly they blocked the list address without first cancelling...

There is a thread on this in the opensuse list as well. I got about 8 or 9 returned today.

Dave

Ups, that was James Knott in this list who raised it, sorry ;-)

See: [SLE] [Fwd: Undelivered Mail Returned to Sender]
