I had bought a PVR250 card with a hardware problem. Now I'm waiting for it to come back in good health. Meanwhile...

alt.os.linux.suse: Re: Hauppauge TV card problems

I had been sniffing around what's needed to install on SuSE.

Initial findings:

1) ivtv is the keyword

2) this might be interesting:

<http://ivtv.writeme.ch/tiki-index.php?page=Suse92howTo>

Regards,

Werner
