Hello Diogenes Laertius , You say :
" You're an honest man . I can tell .

It was Diogenes of Sinope

<http://www.utm.edu/research/iep/d/diogsino.htm>

not Diogenes Laertius

<http://www.utm.edu/research/iep/d/dioglaer.htm>

that was the cynical " mad man "

looking for an honest man .

Diogenes of Sinope would probably say something like :

" God is dead , and we have killed him "

But I say God is a title ,

not unlike " Lord " or " Master " .

God is just some superior in your life ,

so he's probably quite alive and kicking .
